First time spoken freely: "Let's come together - go save the earth!
Show Mother Nature, how much she's worth."

**//: Let's come together - go save the earth!
Show Mother Nature, how much she's worth.://**

1. Now is the time, wach auf und schau dich um,
dein Essen steckt in Plastik, ich frage mich warum?
Die Luft wird immer schlechter, voll Müll ist auch das Meer,
wir können das doch besser, die Lösung muss jetzt her!

**//: Let's come together - go save the earth!
Show Mother Nature, how much she's worth.://**

2. Kohle, Öl und Erdgas stinken uns echt an,
Wasser, Wind und Sonne sind jetzt endlich dran!
Stop using plastic, go plant a tree,
care about nature, think of you and me!

**//: Let's come together - go save the earth!
Show Mother Nature, how much she's worth.://**

3. Strophe - feel free;-)
